Carmignac Euro-Entrepreneurs is a French FCP (“Fonds Commun de Placement”), a French mutual Fund established in France, governed by European Directive 2009/65/EC and authorised by the French regulator Autorité des marchés financiers (AMF). It is managed by Carmignac Gestion, S.A.

Carmignac Portfolio Grande Europe is a sub-fund of the SICAV Carmignac Portfolio, a Luxembourg-based undertaking for collective investment in transferable securities authorised by the Luxembourg Financial Supervisory Authority (CSSF) under Part I of the law of 17 December 2010, on undertakings for collective investment, as amended (the “2010 Law”).

The terms of the transaction were issued in accordance with the applicable provisions of the UCITS Directive and approved by both regulators, the AMF and the CSSF.
